City Council
Public Hearing

Tenants and Workers United Meetings

- 5 weeks of discussions with residents of affordable housing on housing needs
- Goal: develop draft housing affordability recommendations for neighborhood discussions in the fall

PROPOSED THEMES

- Expand more deeply affordable housing options in Arlandria-Chirilagua
- Preserve and invest in existing housing to improve living conditions
- Empower residents to address individual and community fears regarding housing insecurity, displacement, and other concerns
- Expand resources to meet urgent and immediate community needs
- Incorporate amenities and services that are responsive to community needs in future (re)development

COMMUNITY ENGAGEMENT OPPORTUNITIES

- 2 Virtual Community Meetings on October 13 and 14 from 6-7 pm (Zoom)
- Opportunity to make comments about the proposed themes via the project web page and WhatsApp (text)
- Presentations to area civic associations
- Expanded outreach to include attendance at ongoing-neighborhood activities and pop-ups at popular sites in neighborhood
